

**University of South Dakota Team Camps (Individuals Welcome)**

Dear Coach:

As the school year comes to a close, we realize that you are making plans for your football program this summer. The University of South Dakota will once again be holding our summer team camp. Our camp is continually growing and is a huge success. With 85 teams attending and over 2200 athletes, the competition is outstanding.

At a price that is more than competitive with any team camp in the nation, we will house, feed and instruct your athletes for three days. We also organize team periods during camp that allow you to begin installation of your offensive and defensive schemes. These game situations facilitate outstanding competition between teams.

All being held in the month of July, three sessions will host 11 man teams, and one session will involve 8 and 9 man teams.

Coaches interested in receiving a credit for graduate school from the camp are asked to contact the HPER graduate office at (605) 677-5336.

Nightly socials will allow you to have dinner, network and talk schemes with your fellow coaches, all being held within walking distance of your hotel room. Attached is a summer camp brochure, please feel free to make copies, ensuring that every athlete on your squad receives one to take home. Please feel free to contact me at the information listed below with any questions. Good luck from our team to yours, we hope to see you this summer.

July 6<sup>th</sup>-8<sup>th</sup> 11 Man Camp

July 10<sup>th</sup>-12<sup>th</sup> 11 Man Camp

July 13<sup>th</sup>-15<sup>th</sup> 8 & 9 Man Camp

July 16<sup>th</sup>-18<sup>th</sup> 11 Man Camp

It's Great To Be A Coyote!
